

MOBILE Guard™

Ballistic Panel System

The Premier Dual-Use Shelter-in-Place Solution

- High-Level Protection from Ballistic Threats During Active-Shooter Incidents
- Daily Use of Double-Sided, Magnetic, Non-Staining Whiteboard Surfaces
 - Cork Surfaces Also Available

The Most Versatile Security Shelter!

- Configurable for Any Room Layout, and Easy to Reconfigure When Needs Change
- With Whiteboard or Cork Surfaces, MOBILEGuard™ Blends into the Room's Environment

MOBILEGuard™ Ballistic Panel System

Top-End Protection + Top-Quality Whiteboards!

We combined bullet-stopping armor and the best dry erase surface to create the most versatile dual-use panel system. Get immediately available shelter-in-place protection during active-shooter incidents, and enjoy the use of a superior whiteboard every day. High quality cork surfaces also are available – in 15 color options!

✓ High-Level Ballistic Protection

- Bullet resistance up to high-powered rifle ammunition
- Designed to meet NIJ Level III criteria – to stop bullets up to 7.62mm (.308)
- Ballistic protection down to 0.6" from the floor
- All edges wrapped in 14-gauge steel
- Hinges made of ballistic steel

✓ Superior Versatility

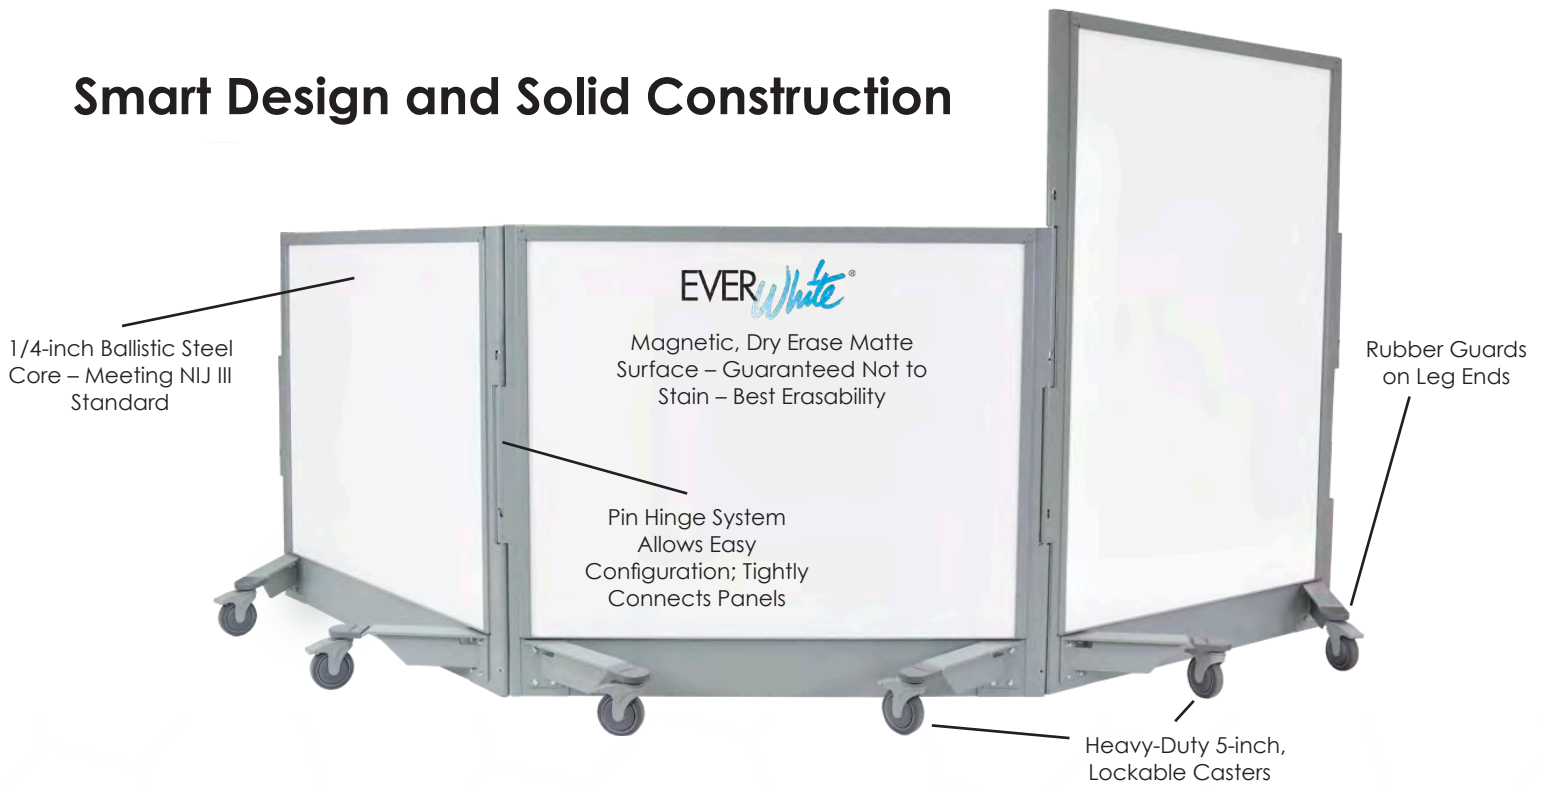

Easily Configurable and Scalable for Any Need

- Multiple panels can be securely connected
- Legs are at 45-degree angle to enable a wide range of panel configurations
- Leg design and 16.1-inch extension panel allow for close-to-wall storage
- With heavy duty casters, panels can be easily rolled into deployment position
- As needs change, MOBILEGuard™ can be repositioned, reconfigured or extended
- Whiteboard or cork surfaces provide daily use of MOBILEGuard™

Steadfast Protection in an Unpredictable World!
